How Do You Really Feel About the LPGA?

Lexi Thompson beams with one of golf's most unusual trophies, the LPGA KEB-HanaBank Championship hardware.

"I really enjoy being around them and being with them and playing with them. They are very respectful and they honor golf and respect the game of golf."

But there are those who whisper about the LPGA's "Korean problem." The Tour, they say, has too many players whose names and games they cannot distinguish. Too many Parks. Too many Kims and even Kos.

Is that what you think? Or, do you appreciate great golf

It's not such a good time to play golf in much of the U.S., but there are great places to go to learn to play better golf. Have you ever thought about going to a golf school? A women's golf school? We've got expert advice.

Dear GGG: I want to go to golf school. What should I look for?

From the Glossary: We hope you HAVE been called a 'sandbagger,' because that means you won a tournament and everyone else is jealous. But if you hear that a lot, you might want to know what it means.

If they call you a 'sandbagger,' it's not a compliment

'Moving'...'Heartwarming'...'Highly Entertaining'

The five-star reviews have been rolling in for *Confessions of a Golf Slut*, which is available in print (on Amazon, Barnes & Noble, and your favorite bookseller's list) and on eBook (via Kindle and, for all other formats, Smashwords).

It's quite a fast-moving yarn that reads like fiction sometimes, but it's all true and much of it makes for great discussion among fellow readers, particularly women who play golf and know that a golf slut is someone who will play anywhere, anytime, with anyone.

Think "Eat, Pray, Love" as "Drive, Putt, Love," a language that many women golfers speak.
